Discovery Health Medical Scheme

Quality care with the right network hospital – 2027

Know where to go, based on your health plan option

Discovery Health Medical Scheme gives you unlimited hospital cover across all plans, but the hospitals you use for planned admissions may differ depending on your selected health plan.

We've made it easy to access care, but it's important to check which hospitals are part of your plan's network so you can avoid out-of-pocket expenses.

Delta Hospital Network

Delta Hospital Network

These hospitals apply to Classic Delta Saver, Essential Delta Saver, Classic Delta Core and Essential Delta Core plans. For planned admissions to any other private hospital, you must pay an upfront amount of R11,550. **This does not apply in an emergency.**

Active Hospital Network

Active Hospital Network

These hospitals apply to members on the Active Core and Active Smart plans. For planned admissions to any other private hospital, you must pay an upfront amount of R15,900. This does not apply in an emergency.

Smart Hospital Network

Smart Hospital Network

These hospitals apply to members on the Classic Smart Comprehensive, Classic Smart, Essential Smart and Smart Saver plans. For planned admissions to any other private hospital, you must pay an upfront amount of R13,150. **This does not apply in an emergency.**

Members on the Essential Dynamic Smart Plan, have access to the Dynamic Smart Hospital Network. For planned admissions you must use our *Medical Provider Search tool* in the Discovery Health app and on our website to find the most suitable hospital based on your healthcare needs.

For planned admissions to any other private hospital, you must pay an upfront amount of R15,900. **This does not apply in an emergency.**

KeyCare Hospital Network

KeyCare Hospital Network

You must go to a hospital in the KeyCare Hospital Network for planned admissions on the KeyCare Plus and KeyCare Core plans. If you do not use one of these hospitals for a planned admission, you will need to pay for these claims yourself. **This does not apply in an emergency.**

KeyCare Casualty Hospitals

On KeyCare Plus you are covered in any network casualty unit at one of the KeyCare network hospitals. You must get authorisation first to get cover, and you must pay the first R540 of the consultation. On KeyCare Start you have access to after-hours care at your chosen KeyCare Start GP or network provider.

KeyCare Casualty Hospitals

KeyCare Start Hospital Network

These hospitals apply to members on the KeyCare Start Plan. We cover you in full at the agreed rate in your chosen KeyCare Start Network Hospital. If you do not use your chosen hospital for a planned admission, you must pay these claims yourself. Based on your chosen KeyCare Start GP you have access to a KeyCare Start Network Hospital in your region. **This does not apply in an emergency.**

KeyCare Start Hospital Network

KeyCare Start Regional Hospital Network

This network applies to members on the KeyCare Start Regional Plan. We cover you in full at the agreed rate in your chosen KeyCare Start Regional Network Hospital. If you don't use these hospitals for planned hospital admissions, you must pay these claims yourself. **This does not apply in an emergency.**

KeyCare Start Regional Hospital Network

Coastal Hospital Network

On the Coastal Saver and Coastal Core health plans, you must go to an approved hospital in one of the four coastal provinces (Eastern Cape, KwaZulu-Natal, Northern Cape, Western Cape) for a planned admission. If you use a hospital outside of the coastal regions, we will pay up to a maximum of 70% of the Discovery Health Rate (DHR) for the hospital account. **This does not apply in an emergency.** Visit **www.discovery.co.za** or click on find a healthcare provider tool in the Discovery Health app to find a hospital on the Coastal Hospital Network.

This brochure is only a summary of the key benefits and features of Discovery Health Medical Scheme plans, subject to approval from the Council for Medical Schemes.

Smart Exception Hospitals

Discovery Health Medical Scheme

In some cases, we'll cover certain defined procedures at specific hospitals that fall outside of your plan's hospital network. When you're admitted to one of these exception hospitals for one of the approved procedures, the usual upfront payments for using an out-of-network facility won't apply.
